### DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

A substitute specification is required in response to this action. It should include the changing of claim 10, line 1, from "any one of claim 7" to —claim 7—and correction of the previously mentioned errors in the last Office action.

The proposed new drawings submitted 11/3/03 are approved by the examiner.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

The claims are allowable over the art of record (including the document from the Web Handling Research Center) since the prior art does not disclose or render obvious in an apparatus as set forth in independent claims 1 and 58 and the method claims that include such apparatus the provision in the claimed combinations of the particular defined angles. None of the prior art are concerned with such angular relationships, nor are there any teachings of such relationships therein.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
